DRAFT commentary for reviewer

Drafted by Claude from the figures above and copied verbatim from the report's section 1. Not reviewed; every figure must be checked against the tables.

- **Top line:** Total revenue was 195,898 in Jun 2026, -6.0% vs May 2026 (208,351, the highest month in the export), -0.5% vs the prior 6-month average (196,946), and +2.8% vs Jun 2025 (190,556). TTM revenue is 2,303,976.
- **Revenue streams:** Usage Fees is the largest stream (166,782 in Jun 2026; 77.7% TTM share) and fell 6.3% from May. Professional Services is zero in Jun 2026 after 833 in May. SKU Profiling has been zero since May 2026 (last non-zero Apr 2026, 10,000). Partnership Income and White-Label each show a negative month in Mar 2026 (-1,608 and -550), likely credits or refunds; reviewer to confirm.
- **Margin:** Gross margin was 70.2% in Jun 2026, up 3.1 pp from 67.0% in May and in line with the prior 6-month average (70.2%); it is 4.2 pp below Jun 2025 (74.3%). Over the period it ranged from 63.0% (Aug 2025) to 78.8% (Feb 2025).
- **Costs:** Operating expenses excluding non-operating items were 468,318 in Jun 2026 (-2.4% vs May). The largest account movers were Bad Debts (12,935 to (1,806)), which drove Finance & Admin from 15,243 to (993), and Events & Conferences (11,324 to 29,295). Travel & Entertainment rose 327.2% to 3,793. Advisory Services has been zero since Feb 2026 (last non-zero Jan 2026, 2,500), and Professional Fees has been zero since Apr 2026 (last non-zero Mar 2026, 3,773). Federal & State Taxes and Marketing/Advertising: Miscellaneous are zero in Jun 2026. Whether these lines have stopped for good, been discontinued, or are timing is for the reviewer to confirm.
- **Profitability:** Net income was (330,756) in Jun 2026, negative for 6 consecutive months; TTM is (3,089,780). Dec 2025 shows positive net income of 534,551 only because of non-operating items; excluding them it is (715,902), mainly from 'Income Tax Benefit' (-1,244,430 in Dec 2025).
- **Cash:** Cash and Cash Equivalents was 713,481 at Jun 2026, down 215,543 from May 2026 (929,025) and down from 2,585,317 six months earlier.
- **One-offs (appears to be single-month items; reviewer to confirm):** Stock-Based Compensation Expense of 334,661 and Bonus of 80,343 in Dec 2025, Events & Conferences of 89,275 in Feb 2025 and 69,277 in Mar 2025, and 'Marketing/Advertising: 3rd Party Content Syndication' of 61,225 in Jan 2025.

Reviewer checklist

This report does **not**: forecasting; accounting judgments (accruals, reclassifications, one-off treatment); currency conversion; causal explanations beyond what the numbers show.

[ ] Confirm the data-quality section (any mismatch: which number is right?)

[ ] Decide how to treat flagged one-off / non-operating items

[ ] Check the 'Other' category assignments and the account mapping appendix

[ ] Add business context the numbers cannot show (pricing changes, churn, hires, timing)

[ ] Edit the commentary and remove the DRAFT banner when final
